

SKFR PROMOTES THEIR 'NOVEMBER 2022 LEVY LIFT'

This story appeared today, August 25, 2022

<https://www.kitsapsun.com/story/news/2022/08/25/kitsap-goat-house-southworth-grocery-south-kitsap-fire-rescue/7847576001/>

I never expected to read was a story about a former grocery store owner who fell on the ice, was injured, was rescued by SKFR so he donated the 'Goat Place' across from the South Worth Grocery to the District. What an extremely generous gesture. This enabled the District to sell the property and use some of the proceeds to buy their first four-wheel drive ambulance.

OF GOATS AND SNOW

SKFR shamelessly is not missing any opportunities to plug/ promote its 'wants', not it's 'needs' for it's upcoming SKFR Levy Lift Request.

THESE ARE STILL ISSUES OF WANTS' VS. NEEDS'

They 'want' 27 more employees, they 'want' 5 new fire stations, they 'want' more fire engines, and apparently they 'want' a few more four-wheel drive ambulances.

We the voters need to collectively ask ourselves:

**WHAT DO THEY ACTUALLY NEED?
WHAT DO WE THINK WE ACTUALLY NEED?
THEN WE CAST OUR VOTES ACCORDINGLY**

**PERHAPS THEY HAVE HIT UPON A UNIQUE ANSWER,
OF SORTS. IT MAY SEEM SILLY ON ITS FACE, BUT HOW
ABOUT A FEW AUXILIARY GOAT DRAWN CARTS?**
