## Definitions

This page reports on the population distribution in South Kitsap School District, both in terms of raw head counts, and in terms of population density per square mile.

- Population: count of all residents of the given entity at the time of the survey, excluding visitors
- **Population Density:** population divided by the total land area of the entity (i.e., excluding water areas contained in the entity)

For additional information about the data presented on this site, including our sources, please see the About Page (/about#data).
