## Request for 911 Response Information to SK Fire & Rescue

Hello- This is an official RCW 42.56 Request. Please provide the following information:

The number of calls to Kitsap 911 that were referred to the SKFR for resolution for the month of February 2023. I do not need specifics unless you have them easily (fire, structure fire, car fire, rescue, rescue and then transported to hospital, etc). Just the number of calls for the month referred to the SKFR is sufficient.
