

**SKFR LEVY PRESENTATION
WILL BE PRESENTED
BY SKFR CHIEF
(06-13-23)**

SKFR'S Chief Faucett will present information on the SKFR Levy Lid Lift that will be on the ballot in August. Mark your calendars for this June 13th presentation to be held at Port Orchard City Hall before City Counsel Members. It will also be on Zoom.

Below is the message exchange regarding a citizen who asked when this public presentation would be made. Notable that our local papers have not yet published this. But, South Kitsap Citizens Demanding Responsible Taxation did send this correspondence to The Kitsap Sun and the Kitsap News Group.

Message from the City Clerk & Assistant to the Mayor

The City still has not been approached by the School district to speak about any of their services. However, the Fire District will be providing the Council and public an update on their services and levy at the June 13th City Council meeting. It will be held in person and via Zoom. In person it will be at City Hall, 216 Prospect Street, in the Council Chambers. The meeting starts at 6:30 pm. And we will publish the Zoom link on Friday, June 9th. Once I have it, I can provide it to you.

In the meantime, let me know if you need anything else or have any questions.

Best Wishes,

Brandy Wallace, MMC, CPRO
